Coursework		3 modules ²	1 module ²		
BS5770 Graduate Seminar		A ³	A	R ⁴ P(G) ⁵ X 2 A	R A
Thesis			Appoint supervisor	Fieldwork Data Analysis Write thesis	Submit thesis for exam
Obligatory Service ⁷		6hrs/week	6hrs/week	6hrs/week	6hrs/week

1. Diagnostic English Test (DET) for students who have not been exempted. The results of the DET will determine if the student needs to take English modules.
2. PM5112 Research Methods is a compulsory module, and only offered in Semester 1.
3. A: Attend. Students must attend at least **5** sessions (including presentations) to pass the module. Students must pass the module before submitting the thesis for examination.
4. R: Register for BS5770 Graduate Seminar module. An In-Progress (IP) grade will be given until the student passes this module.
5. P(G) X 2 : Present, graded.
6. P(N) : Present, non-graded.
7. Applicable for students funded by NUS Scholarship.
